How to fill out the Self-Audit Checklists and Te Poumarumarū Assurance Statement

As part of the review process, the Education Review Office (ERO) asks Te Poumarumarū of each kura kaupapa Māori to complete the **Self-Audit Checklist** and the **Te Poumarumarū Assurance Statement (TPAS)**. The information in each of these documents assists ERO in the scoping and planning of the review.

Completing the checklists and the TPAS is a useful process for your own self-review. Please read the **Assurance Guidelines** [ero.govt.nz] before completing these forms. The accuracy and validity of the information your board gives in the checklists and TPAS is important for the focus of the review.

How to fill in the checklists

The checklists cover requirements of key interest to ERO in the following areas:

- Te Poumarumarū administration
- Curriculum
- Health, safety and welfare
- Personnel
- Finance
- Asset management
- Te Reo Māori

Please complete each sheet and add any further comments or explanations on the sheet of paper provided. Please use extra paper if you need to. Attach any explanations or matters you are unsure about to the relevant sheet.

How to fill in the Te Poumarumarū Assurance Statement

After you have completed all the checklist sheets please complete and sign the TPAS. The second page of the TPAS is for your Te Poumarumarū to note areas where you are aware that you are not meeting legal requirements. There is space for your Te Poumarumarū to outline the circumstances and the action you are taking on each issue. This information will be very useful for your own Te Poumarumarū as well as for the review.

Please remember to attach your checklists to your Te Poumarumarū Assurance Statement.

* An 'off-site location' is when a school is using premises outside of the school to provide education to one or more students on a long-term or full-time basis [refer section 71A(6) of the Education Act 1989].

Note: The Education (Update) Amendment Act 2017 now requires schools to seek approval from the Minister of Education to use an off-site location or host an off-site location for another school. Once approval has been given, schools must enter into an agreement with the Secretary for Education before using that off-site location. This change will formalise arrangements for off-site locations and make it clearer who is responsible for the education, safety and welfare of the students receiving education at the off-site location.³
