

# Strategy On A Page

**Our Goal:** That our evaluation insights are a catalyst for change so that every child achieves

## Our vision

to understand the performance of the education system in New Zealand for all learners

to develop the evidence base about what works, to improve learning outcomes for all students

to support evidence based decision-making and improvement in practice

to reflect and integrate a te ao Māori world view in the creation, implementation and dissemination of knowledge.

## Our values

- **Kotahitanga:** Children are at the centre of what we do
- **Tika and Pono:** We are professional
- **Mahi Tahi:** We work together to get the job done
- **Manaakitanga:** We are respectful and caring
- **Whanaungatanga:** We draw strength from the collective
- **Akoranga:** We learn and improve

## How we work

- We reflect the educational priorities of the Government.
- We deliver high quality, robust research and evaluation.
- We partner with others to build our shared understanding.
- We hear student perspectives and whānau voices.
- We use a wide range of tools, methodologies and approaches.
- We actively include a te ao Māori and kaupapa Māori view in our work.
- We tailor and disseminate our findings for different audiences.
- We invest in our people and our team.

## What we do

We undertake 3 types of work:

Understanding system performance

Evaluating initiatives - building our understanding of what works

Promoting good practice

We focus on 9 areas:

Ākonga wellbeing and engagement

Ākonga learning and achievement

System and performance reform

Support services, networks and collaboration

Leadership and workforce capability

Curriculum pedagogy assessment and pathways

Quality outcomes for Māori and revitalisation of te ao

Equitable outcomes for Pacific and priority learners

Effective targeted interventions

## Priorities for 2021

**1** Building our understanding of education system performance

**2** Shining a light on provision for vulnerable groups

**3** Strengthening the evidence base for Maori and Pacific learners

**4** Increasing our understanding of effective interventions

**5** Building Te Ihuwaka's culture, capability and reputation
