Kia ora koutou

Hope you are all well and coping with life in your bubble during the lock down period. A strange and challenging time for us all, but kudos for the way everyone is managing to continue on with their mahi, albeit in a different way than usual.

Also great to see people checking in with one another via tools such as Yammer and finding ways to keep that connection and lift morale with stories and humour during what is quite an isolating time for some.

In order to check in with you to see how you are managing, and if there are any issues or concerns we need to be aware of, we will be doing a survey using AskYourTeam (AYT).

This will be a very short survey, but we would really appreciate our permanent and fixed term employees completing this, as it will give us some idea as to how you are getting on working in the current environment.

We are hoping to get this survey out later today - but will be by tomorrow at the latest.

We would appreciate you completing this by the end of next Monday, 20 April.

Thanks and take care of yourself and those in your bubble.
