Dear [REDACTED]

Official information request about ERO's Koru Club membership

I refer to your official information request by email dated 20 November 2018 requesting information about Koru Club membership. My response to your questions (as set out below) is as follows:

- 1. The total amount spent on membership to the Koru Club. Please break this figure down into the amount spent on joining fees, and the amount spent on membership payments.*

Response: The total amount spent on membership was \$21,726.09 for the 2017/8 financial year. This is made up of joining fees of \$2,156.52 and membership payments of \$19,569.57. All figures are exclusive of GST.

- 2. The total number of memberships paid for. In addition, is your agency a corporate member or does it purchase memberships at the individual rate?*

Response: The total number of memberships is 49. ERO is a corporate member as part of the All-of-Government agreement for travel.

3. *The term of the memberships (i.e. does your agency renew memberships on a one year, two year, five year, or alternative basis?)*

Response: One year.

Yours sincerely
