Dear [REDACTED]

Your email dated 4 November 2018, to Nicholas Pole, Chief Executive/Chief Review Officer, Education Review Office, has been referred to me for reply.

You have requested ERO to update the Government Department Strategies (GDS) Index 2018 in the attached Excel spreadsheet as at 30 June 2018 under the Official Information Act 1982.

I note that you have included the ERO Pacific Strategy 2013-2017 in the GDS Index 2018. You can download this report from ERO's website - [Download the complete report](#) .

ERO does not hold any other GDS documents. On the other hand you may access ERO's Strategic Intentions from ERO's website:
