For Services Licensed under 2008 Regulatory Framework

January 2022

How to fill out the Self-Audit Checklists and Hospital-based Education and Care Assurance Statement

As part of the review process, the Education Review Office (ERO) asks the service provider of each licensed centre to complete a **Self-Audit Checklist** and a **Hospital-based Education** and **Care Services Assurance Statement (HECAS**). The information in each of these documents assists ERO in the scoping and planning of the review.

Completing the checklists and the HECAS will be a useful process for your own self review. Please read the Guidelines for Hospital-based Education and Care Assurance Statement (Available here) before completing these forms.

How to fill in the Checklists

The checklists cover requirements of key interest to ERO in the following standards:

- Curriculum
- Premises and Facilities
- Health and Safety Practices
- Governance, Management and Administration

Please complete each sheet and add any further comments or explanations on the sheet of paper provided. Please use extra paper if you need to. Attach any explanations or matters you are unsure about to the relevant sheet.

How to fill in the Hospital-based Education and Care Assurance Statement

After you have completed all the checklist sheets please complete and sign the HECAS. The second page of the HECAS is for your service provider to note areas where you are aware that you are not meeting legal requirements. There is space for you to outline the circumstances and the action you are taking on each issue. This information will be very useful for you as well as for the review.

Please remember to attach your checklists to your Hospital-based Education and Care Assurance Statement.
